Danish Society for Research in Multiple Sclerosis

BECOME A MEMBER OF DAREMUS TODAY

Danish Society for Research in Multiple Sclerosis was founded in 1995 and has since worked to unify and strengthen Danish MS research. After a dormant period the society has now been re-established and will intensify its work by continuously promoting and hosting Danish MS Research events.

The board of DAREMUS currently consist of:

Chair: Annette Oturai, Rigshospitalet

Secretary: Henrik Boye Jensen, Sygehus Lillebælt

Treasurer: Morten Blinkenberg, Rigshospitalet

Board member: Per Soelberg-Sørensen, Rigshospitalet

Board member: Helle Hvilsted Nielsen, Odense
Universitetshospital.

It is both cheap and easy to become a member.

Membership is only **50kr** for members of the Danish Medical Association. If you are not a member of the Danish Medical Association the price is **150kr**. Company membership is **500kr**. Company members are not eligible for voting and cannot be elected to the board of DAREMUS.

Membership fees are collected and administrated by the Danish Medical association
